If James Brown were alive today, he might just consider changing the lyrics to his song "It's a Man's Man's Man's World", given the current political position of the actual world. Here at Club though we wised up many years ago to the fact that women will always have us by the balls, and they certainly rule the roost here at Club HQ that's for sure! So it's business as usual here, and a round of applause to all those ladies out there and in here that keep us chaps going from one day to the next. And nothing could be more true of this month's hot crumpets who we hope will keep you going till the next issue is out!

Dear Club,

My brother-in-law is really fit, and I have fancied him rotten ever since we met. The fact is that my sister Lena is a skank, and since Dave was made redundant, she's become bitchy towards him, even in front of other people. It's embarrassing, especially because Dave is sweet, and although he's not the sharpest pencil in the box, he is very good with his hands. Lena is always implying that he's 'work-shy'.

A while ago, I decided to decorate my bathroom, and as 'work-shy' Dave was free, I asked him if he wanted the job. He jumped at the chance to earn some extra cash and arrived at my place with his tool box the same afternoon.

As he worked on the tiling, we chatted. Sitting on the toilet lid I watched him work, my eyes glued to his arse, hardly catching what he said. Later on, he was fixing a towel rail and asked me to hold it up for him as he measured the holes.

While I was holding it steady, his hair fell over his eyes, and, without thinking, I brushed it back. He looked at me with questioning eyes, and all that I could do was smile. I realised then that my hand was still on his brow. Then he turned his head and kissed my palm.

At that moment I decided that if Lena

didn't respect him any longer, then she was an idiot, and I would. I put my arms around his neck and pulled him down so I could kiss him properly. His mouth pressed hungrily against mine, pushing my lips apart, and I was so completely absorbed in the kiss that I dropped the rail on the floor.

Dave's big hands spanned my waist as he lifted me up and I wrapped my legs around his hips. Sitting me on his ladder, his mouth ravaged mine, sucking my tongue as he pulled at my clothes.

Wildly I pulled his shirt over his head, exposing his muscular chest, then pulled my blouse off myself. He pushed my body back slightly, and, unhooking my bra, tossed it over his shoulder.

Tweaking my nipples to hardness, he rubbed them with a really arousing circular motion before squeezing them roughly. His mouth eagerly returned to mine again as he pressed his hips between my legs. I particularly loved the way his chest hairs tickled my erect nipples. Then, pulling away from me, he ran his lips down my neck, over my collarbone and sucked one of my nipples into his mouth.

I leaned back onto my hands as he worked downwards, pushing out my hips as his fingers hooked into the waistband of my panties and tugged them down my legs. He licked the inner parts of my knees, kissing his way up my thighs. Then, pushing up my skirt so that it was scrunched up around my waist, he licked along my slot. Oh shit, I can still see him doing it – the pair of us reflected in the full-length bathroom mirror. I could feel my orgasm building, the needy warmth beginning to spread through my body. Small tremors started around my clit, spreading out in waves though every part of me.

My legs muscles tightened, and I tossed my hair back as the fireworks went off in my pussy. I couldn't believe my orgasm; it was phenomenal, and I certainly didn't feel guilty. I was enjoying myself too much to care about my selfish sister. I kept thinking how stupid she was to reject a man who could make a woman feel like this.

Pulling him up, I began to kiss him, tasting the salty sweetness of my own wetness on his lips. His bulge pushed against me and I ran my hand over it, feeling the heat permeating through the material. I unfastened him and

slid his jeans down his legs and disposed of his pants. Then his fucking mobile phone rang. Dave scrambled around looking for it, and, finding it, he answered the call. I took this opportunity to reposition, and to work the head of his cock between my fanny-lips.

It was, of course, Lena checking up on him, instructing him to get milk on his way home. Fuck her, I thought, and, seeing the look in my eyes, to my delight he hung up on her without another word. Then he slid his length right into me – all the way – and, cupping my arse-cheeks in his big hands, told me to wrap my arms round his neck. I did, twining my legs around his waist as he started pumping my cunt with his brick-hard cock.

My pussy muscles tightened around his shaft, and it was bliss. With his prick buried in me to the root and thrusting energetically into me, I clenched my legs round the base of his back even more tightly.

It was dream-like, it was so good. I could hear the wet sucking sound coming from my pussy mingling with my squeals of pleasure. It didn't take long for me... I was so turned on that my second orgasm broke almost immediately and I held on for dear life in Dave's arms.

Then, leaning my back against the wall so that he could get proper leverage, he placed his hands on my hips and fucked my pussy like no-one else ever had. I tried to meet his thrusts, lifting my hips and working him even deeper into me. I was screaming crudities as the first shot of cum blasted deep inside my vag.

It was the fuck of a lifetime, and we might repeat it in the bedroom someday like he wants, instead of the bathroom, but only after the bugger finishes the job. Lena may be awful to him, but I have to admit that he doesn't seem to be in any rush to do more tiling. Giti!

Any Cara Delevingne fans out there may do well to pay attention to the lass between these pages, as we see more than a little resemblance to the famous model. It must be the cheeky grin Erika loves supporting in front of the camera, that shows her playful nature. So here's to the girl that everybody wants at their party. ♣

NERISSA

Knockout Nerissa has had us over a barrel from the start, swords in hand, as we surrendered to her enchanting looks and pondered at what it would be like to come face to face with those cat-like green eyes. We can only imagine as the sensible temptress brushes us aside as pigeon fodder. We can only smile knowing full well the pecking order. ♦

Dewalt.com

Made by the people who normally bring you various power tools and other manly equipment, Dewalt has branched out into disaster proofing a smartphone. This hard as nails piece of equipment is not your normal sleek and sexy iPhone or Samsung S7, but then again their chances of survival on a building site are minimal, just like ours. The Dewalt MD501 is modern and boasts a 12 MP camera, 4G, dual sim and a 5-inch screen all fired up by a quad-core processor. However the MD501 is still running Android 5.1 Lollipop, but Marshmallow will be available via an update soon. The case, however, is fantastic, providing plenty of grip and rugged protection against falling sledge hammers and the like.

**Sony UHP-H1**

Sony.com

This was an ambitious leap for Sony as Hi-Res Audio media players go, thankfully they pulled it off to a stunning degree. Marketed as more of high-end movie deck the UHP-H1 will have any audiophile swinging from the lampshades with joy, but it also taps into a following for upscale 1080p Blu-ray. There's also lots of apps to keep you busy, with Playstation Now and Amazon Prime available, the streaming could be endless! We also have to mention the design, which has moved away from the Fisher Price look of recent years and into a modern brutalist shell that would look at home anywhere. Killing time with the UHP-H1 is a pleasure while we await Sony's 4K Ultra HD player.

**Bike Balls**

Firebox.com

Ever tried riding a bike in London? It takes a palist! Or possibly sheer stupidity, as yet we're undecided, but lighting yourself up like a christmas tree definitely helps. Then we came across this little pair of luminous knackers, we couldn't believe a piece of gadgetry could emphasise our point so directly. So if you want to add a bit of humour to your morning commute, as well as get yourself noticed then the playful bobbing of Bike Balls is for you. Made from high-grade waterproof silicone, with an efficient and powerful LED light that supports three light modes. Unfortunately, it is powered by two CR2032 batteries, which are replaceable rather than rechargeable, but it does have 100 plus hours to give. To turn the light on just give the balls a squeeze, but you knew that already.

LAUREN

Tats and glad rags are what Lauren is all about. We caught up with the hellraiser recently and asked her what was on the agenda these days?

"Well, recently I've been thinking I need to get a new tattoo, but at the moment I'm unsure what I want to get inked with."

How about a naked lady? Not just for sailors you know.

"I'd never thought about that before; I might look into that now you've mentioned it."

Naturally happy to be of service, and of course put more naked ladies on the planet! ♣

Please be upstanding!

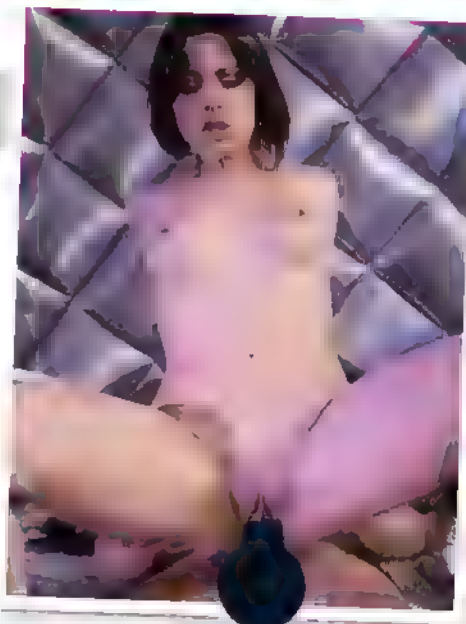

Ines Escort Deluxe

Marc Dorcel Films

Starring: Ines Lervin, Kimber Delice, Luna Rival, Claire Castel, Rachel Adjani, Pascal Saint James, Ryan Ryder, Juan Lucho, Max Casanova, Lorenzo Viota, Matt, and Rico Simmons

Synopsis: "Ines, 26 years old. Sure of her powers of seduction, she began escorting to satisfy her two passions: sex and luxury. With her designer clothes, lingerie and high heels, she meets every unusual fantasy of her rich clients. Kimber, 22 years old. Freshly initiated by a friend, doesn't hold back and reveals all about her first experiences. Sexual apprenticeships, latex fetishes and anal lead her to her first real carnal awakening. Luna, 19 years old. This pretty brunette hangs around on escort sites just to be provocative. Cheeky and not at all shy, she

doesn't hesitate to use her youthfulness to seduce men of all ages."

Courtesy of Marc Dorcel

Verdict: It's sleek, it's sexy so it can only be another exquisite production from Marcel Dorcel, as he waves his magic wand (ahem), and steers the camera work towards greatness. Dorcel is a man who leaves his mark,

and this new film bears all the true tricks of his trade as we join Ines, a powerful seductress whose passion for escorting has led her straight to the top and covered in sushi by the looks of things. There's bathrooms, steamy saunas, double penetration, voyeurism and leather play, that diversify this film for all tastes as Ines and her companions, seek to please on all levels. Ines Escort Deluxe feels rich, intense and very French.

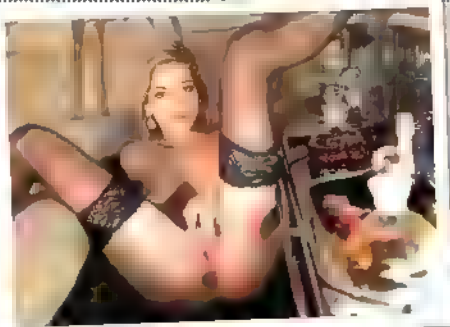

Whistleblower

Private Gold

Starring: Alexis Crystal, Texas Patti, Ria Sunn, Blanche Bradbury, Anna Polina and Jason Steel

Synopsis: "Edward is a CIA spy who is forced to leave his country after revealing some important political secrets. In his trip to Russia, he will be involved in endless adventures, both with the Russian Government and with their spies, all of them a collection of stunning females. Back in the US his wife, Blanche Bradbury, who is home alone, does not want to waste her time waiting for her beloved husband. A movie not to be missed, The Whistleblower, with the best pornstars. Ria Sunn, Anna Polina, Alexis Crystal and Texas Patti play the role of the horny spies and never hesitate to use their bodies to get

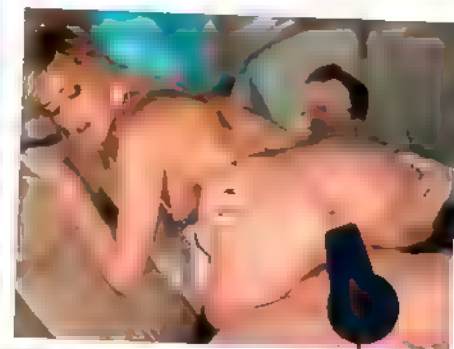

hold of any secret. Blowjobs, threesomes, DPs, facial cum shots as well as Alexis Crystal first anal will be their weapons to find out the truth."

Courtesy of Private Gold

Verdict: James Bond or Austin Powers, where ever this spy romp takes its inspiration from it's going to be a ball tightening watch with Alexis Crystal and Ria Sunn involved. So let's open up the file on the Whistleblower and see what secret delights await.

The airport opening gives it a concrete start as Jason Steel introduces us to the fact that he is the most wanted man in the world (it's

is a decent size we must admit) before getting into a limo with the stunning Ria Sunn. Luckily the windows are blacked out for when the usual shenanigan ensues, and Ria gets banged mightily. But poor old Edward is longing for a girl back home (Blanche Bradbury) who keeps herself busy by noshing on a cock! There's plenty of deep throating, pussy eating and anal in the second scene and a double penetration from Anna Polina in the third scene. So a movie of vanants, all topped off with a rough orgy starring Alexis Crystal and Texas Patti, with Alexis losing her anal virginity! Could they pack any more into the Whistleblower?

AALIYA 

It's fair to say we lost the plot a little bit when we met the gorgeous spectacle you see before you, and the words that were poised upon our lips were Aaliya. We were so hypnotised by this beauty; we almost started chanting her name, nearly turning the whole affair into a cult following. So all we can fairly say is get a load of Aaliya, as we sure did! ♣

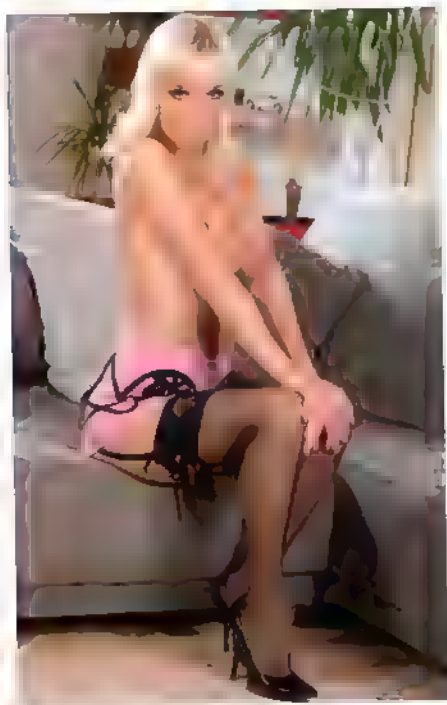

AALIYA 

TALKIN' BLUE

Got an e-
usual ad

I've been buying Club for the last few years, and love the combination of girls you seem to find each month. But one area you've never really covered is my own, personal fetish: girls with really meaty pussies. I don't know if this is a deliberate policy (Hardly! We just don't meet enough of them! – Ed.), but it really does do it for me, and I imagine some of your other readers.

I'd spent years trying to find a girl with the prerequisite love lips, but up until recently, I had to put up with normal, average labia. Until, that is, I got into the 21st Century and found myself online, webbed up and surfing what I now realise is the Pornography Superhighway.

I spent a lot of time on swingers' sites and various groups and forums, searching in vain for my perfect girl until I stumbled across a very select dating group aimed at men just like me. It was relatively secret because – and I must admit I'd never even considered this – the female members were acutely embarrassed by their labia. When I first heard that, I couldn't quite believe it; I'd spent years drooling over enlarged labia and I'd never imagined that women so blessed would hate them! After all, if I had an enormous cock or a massive set of nuts, I'd be very bloody proud! My ship really came in with Kathy. I met her via the website and we spent weeks emailing

one another, despite the fact that we both stayed in the same town. Kathy was very, very self-conscious, and couldn't quite come to terms with the idea that here was a man who adored large labia, one who would actually worship her for them.

Ultimately, of course, I won her round, and we had a very successful first date in a swanky restaurant up town. We had already exchanged pictures, so there was no real surprise there. Kathy was as advertised: 27 years old, about five and a half feet tall, long blonde hair, smallish, pert boobs and a slender body. But of course, what I really wanted to see was hidden under her tight skirt. Unfortunately, that night I went home alone, but with the promise of a meal at her fiat that weekend.

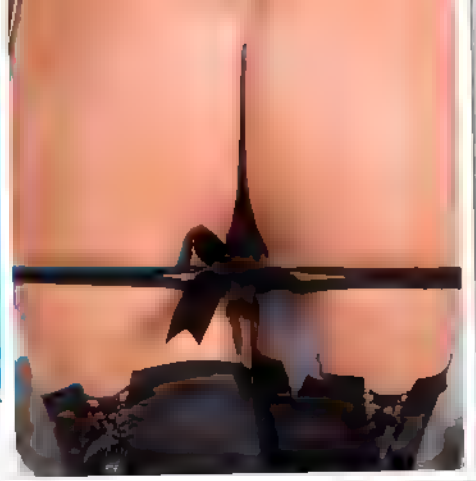

I arrived at the appointed time and brandished a decent bottle of wine, which Kathy gratefully accepted. Over dinner I was surprised at how much she drank, to the point where my bottle was empty well before our main course was finished.

Kathy came to the rescue with a bottle of chardonnay, and we both devoured that in short order. I suppose we were both nervous; I was eager to explore her body, and from her emails, I knew all too well that Kathy hadn't been with a man in five years. No wonder she needed Dutch courage!

After dessert, Kathy suggested we curl up on the sofa with a brandy, and talk some more. She put a soft, chill-out CD on to play, and snuggled next to me, holding her brandy glass in both hands and looking at me over the rim. The subtle lighting in her lounge reflected off the glass, and gave her eyes a mischievous twinkle. When she came right out and asked me to tell her about my fascination with large labia, I knew I wasn't going home that night!

I explained to her why I found them so alluring; the texture of them, the taste and the simple sight were enough to give me a raging erection. Just talking about them was bad enough, I told her.

"So I see," Kathy giggled, gently nudging my slightly bulging crotch with a bare foot. She went on to tell me about her pussy lips, not in graphic detail exactly, but enough to let me know that school and college had been traumatic, thanks to showers after PE.

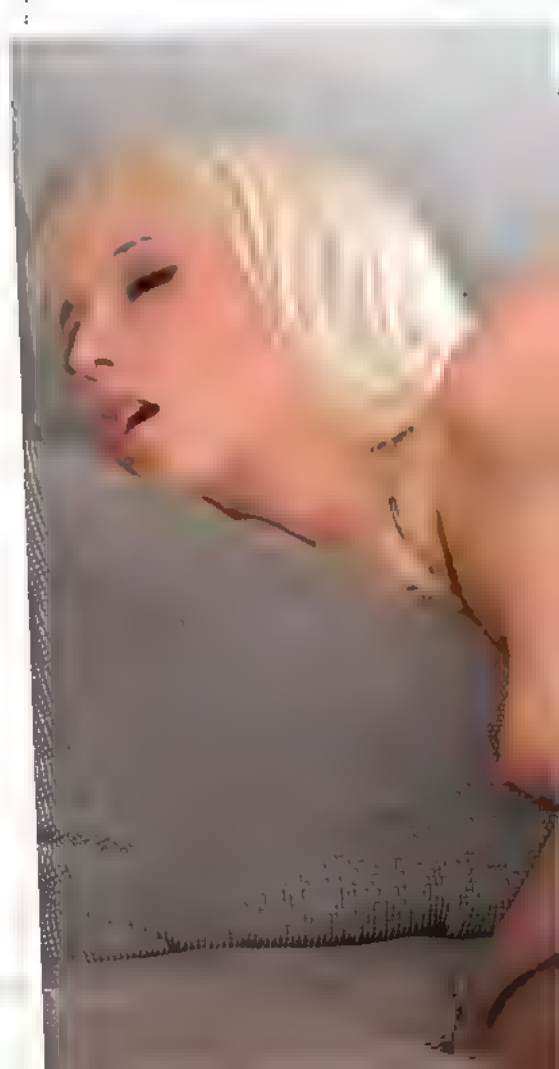

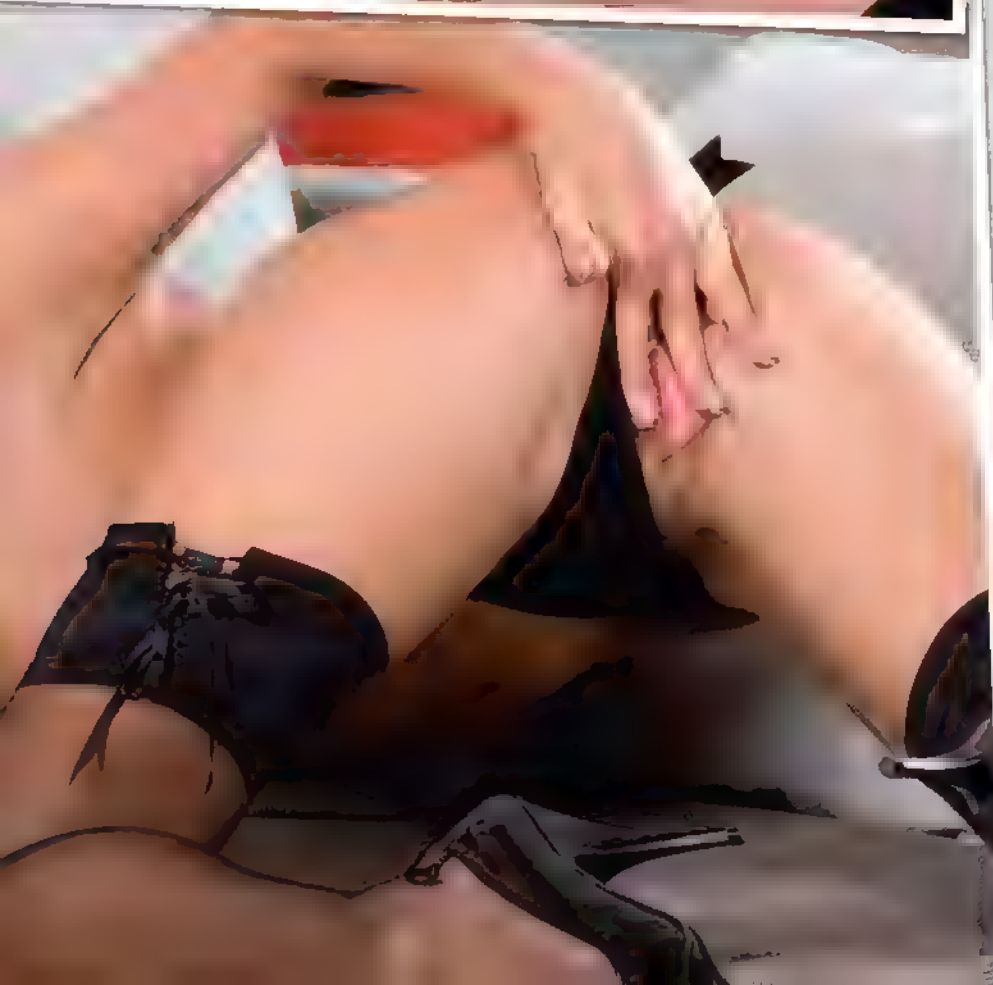

How Kathy had avoided any public showers since, waiting to get home for a shower rather than let other girls see what she felt was abnormal in the extreme. And while she talked, my cock grew. When she described her pussy lips as 'abnormal', I thought I was going to cum there and then. And then she really threw me.

"Would you like to see them?" Kathy tentatively asked me, putting down her glass.

"Yes. Yes I definitely would," I said hoarsely.

Kathy stood and reached behind her to unzip her skirt. She let it fall to the ground at her feet and then stepped from the puddle of material, lifting her blouse to show me the lace panties she wore before pulling the blouse off over her head without unbuttoning it. She was obviously more eager than I had thought. Kathy's bra matched her lace panties, and she unhooked it, revealing a very nicely shaped pair of breasts crowned

“I got down on my knees between her firm thighs and started licking my way towards her hairy heaven.”

by dark brown nipples. Kathy looked at me shyly as I sat on the couch, rapt, then hooked her thumbs into the sides of her panties and gracefully swept them down her smooth thighs and all the way down her calves, stepping out of them and casually flicking them backwards with a foot.

“There,” she said, waving her arms at her sides “All of me.”

“My God Kathy, you’re gorgeous,” I whispered, bringing a beaming smile to her face.

Kathy stepped towards me, until her crotch was at the same level as my face. The wine we’d drunk had certainly lowered her inhibitions, but I put that out of my mind as I took in the beautiful sight before me. Despite the thick, lustrous, blonde pubic hair framing it, I could clearly see Kathy had a quite superb pussy. Her labia were simply enormous, and my cock raged in my pants at the sight of them. They hung between her legs, tangled together in a fleshy mass; I’d reckon at a guess they were at least three inches long

“Wonderful,” I breathed

“Do you mean that?” Kathy asked. “You’re not turned off?”

I told her she had to be kidding, and stood up before her, taking her in my arms. We kissed deeply, our tongues darting into each other’s mouths, and Kathy pressed her naked body against me, pushing her thigh into my groin and feeling my hard cock twitch against her. As I reached up to cup her breasts, Kathy began to undress me. She unbuckled my trousers and pushed them down then reached inside my boxers and grasped the shaft of my cock. I groaned and Kathy began to gently slide her hand up and down my erection, pulling my foreskin down over my cockhead. I couldn’t take too much of that, so I gently pulled away and stripped properly. We stood like that for a moment, stark naked, and then Kathy sat back down on the couch, opened her legs wide and grinned at me. I didn’t need a written invitation. I got down on my knees between her firm thighs and started licking my way towards her hairy heaven.

Kathy’s pubes weren’t as thick around her pussy as I had thought, and sitting like that gave me the view of a lifetime. Her enlarged

“Parting her labia properly, I pushed my tongue into her, forcing it inside...”

labia looked like a mass of bubblegum; pink, moist and desperate to be put in someone's mouth. Just licking and nibbling Kathy's thighs had her squirming and mewling on the couch, but as my nose tickled her pubes, I felt her tense slightly. I continued, and flicked my tongue across her labia, parting them. I sucked first one and then the other into my mouth, revelling in the tangy flavour of Kathy's cunt. Her pussy lips almost filled my mouth entirely, and as I sucked them, I gently pressed my nose against Kathy's clitoris. I felt her hands in my hair and knew that my attentions were hitting the spot when I felt a trickle of moisture enter my mouth from Kathy's pussy. Parting her labia properly, I pushed my tongue into her, forcing it inside the thick, muscled walls of her cunt. Kathy's

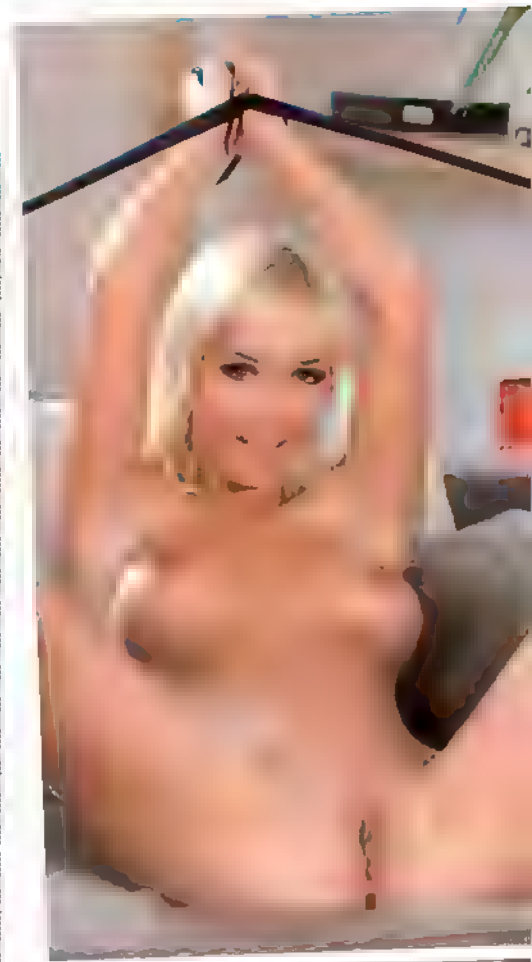

pussy was very wet, but man, was it tight! I could barely get my tongue inside, and as I probed her silken depths, I felt Kathy's hips buck as she began to orgasm. Taking my cue, I took the bud of her clit between my teeth and began to gently nibble and suck it. That did it: Kathy suddenly tensed and groaned deeply, and I felt her liquid coat my chin. Carefully releasing her clit, I pushed my whole face into her delectable cunt, feeling her stunning pussy lips part against my cheeks. The sensation of her damp petals spreading against my face is one that I just can't adequately describe, but I wouldn't trade it for a million!

I lapped at Kathy's wet pussy for as long as my tongue could stand it. There was no way I could slide it inside her again, thanks to the tightness of her cunt. When I felt Kathy begin to orgasm again, I switched my attention to those mammoth cunt lips once more, sucking and chewing them as Kathy came hard. When I came up for air, Kathy was beaming, and she reached forward and grabbed me firmly by the cock, pulling me upright and level with her mouth. I stood there as Kathy looked up at me, gently wanking me near her smiling face.

"Thank you," she grinned.
 "That was just for starters," I promised her.
 "Your face looks like a glazed doughnut," she laughed, and enveloped my cock with her mouth, sucking my length all the way inside and reaching up to cup my balls. Kathy's tongue swirled around my helmet, flicking across it inside her mouth and making me shudder. She pulled her head back and looked me straight in the eye, and then did something that I really hadn't expected – she sank her mouth all the way down my length, gradually taking my entire cock deep into her mouth. I'd never been deep-throated before, and my knees would have buckled if I hadn't grabbed the arm of the couch. Kathy started fucking my cock with her mouth, pulling back until just the tip of my glans was inside her, and then sinking back down again until her nose nestled in my pubes. When she combined this with squeezing my balls, I had to stop her. I was in serious danger of losing it right there.

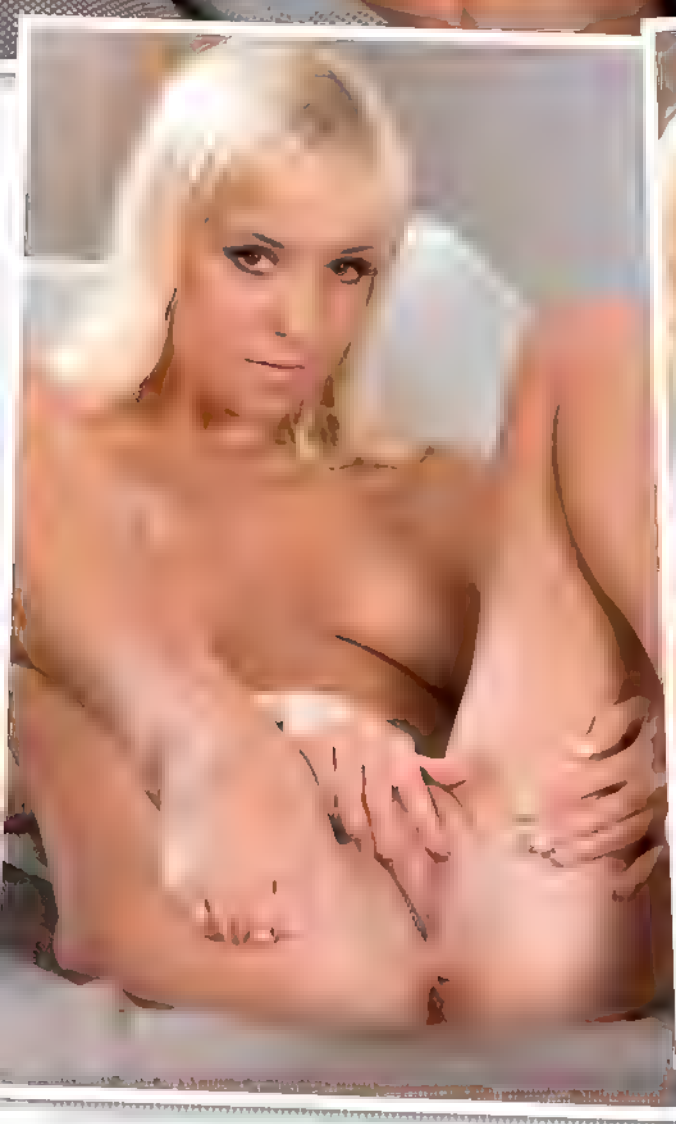

We broke apart and, rather than lead me to her bedroom, Kathy got off the couch and onto her knees, with her tits just brushing the fabric and her arms resting on it. She poked her peachy arse up into the air and wiggled it at me, looking over her shoulder with a cheeky grin on her face. I moved into position behind her and rubbed my cockhead up and down her slit, revelling in the way her labia engulfed my glans. The squelchy noises it made just increased my hard-on until I thought I was going to burst. I pulled back slightly and then rammed my whole length into her, forcing my prick up her incredibly

tight cunt, feeling the walls expand around my meat until I felt Kathy's damp cunt lips wrap around my balls. The sensation was exquisite.

Slowly, I pulled out of her again until only my glans was inside her, and then forced my way back in. I had to do this three or four times until Kathy's cunt eased slightly and I could actually build up a proper rhythm. All this time, Kathy had her face buried in the couch, her fists gripping the cushions, as I started to piston into her, feeling her cunt lips slap against my balls. Kathy's cunt got tighter and tighter around my cock, and I felt her cum again, her body shaking and her back arching. Her pussy spasmed around my prick and I couldn't hold back any longer. I felt my balls tense and I buried myself inside her, feeling Kathy's stunning cunt lips envelope my nuts as I shot an almighty load deep inside her. And when my own orgasm had subsided, I pulled out and watched in awe as my spent jism dribbled out and down those mammoth love lips.

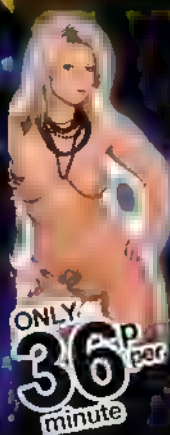

Once we'd got our breath back, we showered one another. That was six months ago, and we've been together ever since. Nowadays, Kathy sports a neatly shaven pussy with absolutely no hair underneath to obscure those amazing lips, and she's come to accept her labia as another erogenous zone rather than something to be ashamed of. I worship her labia nightly, and hope that soon, she'll allow me to take some photos so that we can create a website to share our fun with others.

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

KNOCKING KNOCKERS

I work in an hotel in Newcastle overlooking the river, and have had a few horny experiences thanks to the sexy young girls who work with me, and fancy a piece of a 19-year-old lad.

Last Saturday night was by far the sexiest thing that has ever happened to me. I was on Lates and it must have been about 2.30am when the kitchens got a call for a bottle of wine and a snack from Room 352. I knocked on the door and a woman's voice called out for me to bring it in so I went inside. The room was empty but I could hear the shower running and placed the tray on the small table.

I was just about to leave when I noticed the telly was showing one of the hotel's late night adult selections. A big titted babe in fishnet stockings and basque was bent over a chair while some guy with a massive prick was banging her cunt from behind. For a few seconds I was glued to the screen and didn't realise I now had company.

"She's certainly getting it good and hard," the woman said and I span around, embarrassed at being caught watching porn by a female guest. Next to me stood a woman of about 40 wearing nothing but a towel. Her long wet hair was matted against the side of her pretty face and her bare shoulders

glistened with drops of water. I could smell the scent of her perfumed soap, and judging by the bulge of her chest beneath the towel, this mature babe was stacked.

"Fancy opening the wine while I get dry? My name is Barbara by the way," she purred, glancing at the TV where the girl in fishnets was now slurping on the giant member before her. We're not supposed to fraternise with guests but hell, this was getting interesting and my dick was already semi-pumped what with the dirty film and this half naked lady beside me.

I sat on the bed and uncorked the bottle just as Barbara loosened her towel and began to gently dry her breasts, kneading the soft flesh erotically before me as I tried to see her barely hidden curves. I poured her a glass and handed it over as she gripped the end of the towel and guided it slowly and deliberately between her thighs. Barbara's legs were plumpish and the smooth heat-reddened skin looked so inviting. Just as the man in the film spurted a load of thick white spunk into the slut actress' open mouth, Barbara dropped the towel.

I nearly fell off the bed as her large tits swung free and her hairy pussy was exposed for the first time. "Now show me yours," Barbara cooed and moved over to me, unzipping my uniform trousers with one

expert tug. I reached up and cupped one fat breast in my hand, sliding my palm against her bulging nipple as she groped inside my pants for my cock. It was as hard as rock by now, and when she began to kiss me on the mouth while wanking my shaft gently with her fingers, I felt like emptying my balls there and then.

As we snogged, she clambered onto my lap, her still damp body sliding over my uniform and her lovely knockers pressing against my chest. I moved a hand down to her cunt. It was already moist, and I buried a finger, then two inside the yielding folds of her love tunnel. Barbara pressed down hard onto my hand, forcing my fingers deeper inside as her tongue squirmed towards the back of my throat.

After a minute or so she suddenly arched her back, let go of my twitching prick and grasped her boobs, pushing them together to form a very fuckable cleavage. Her fanny muscles nearly crushed my fingers as she climaxed, thrusting her hips forward and mauling her tits obscenely in my face. I leant forward and was able to suck on both her nipples at once.

With my mouth still clamped to those awesome knockers, Barbara lifted her twat free of my fingers, manoeuvred my rigid cock

“Her fanny muscles nearly crushed my fingers as she climaxed, thrusting her hips forward...”

the best tip I've ever had!
Johnny, Newcastle.

PASSENGER POUND

It seems to me that the key to a truly spontaneous sex life lies in not wearing any knickers. I bet you guys often wonder how many bare beavers you pass every day without even knowing it. Well, I am that beaver – the urban legend you take a sneaky peek at on the bus, crossing and uncrossing my long legs so that my short skirt rides up my parted thighs, giving the eagle-eyed a glimpse of my knickerless pussy. I love flashing my slit to strangers in public – occasionally it's a shortcut to some hot, nasty sex, without any of the bullshit.

One boyfriend of mine certainly got a surprise when he first slipped his hand up my skirt and found nothing covering my moist cunt folds. It made him so damn horny to have ready access to my pussy, anytime, anywhere – although maybe he didn't consider that it gave other guys equally easy access to my box.

I recently took a long train journey out of town. I fell asleep quickly, vaguely satisfied with the goodbye blow-job I'd given my lover in the station toilet. There's something kind of charming about being on your knees in the dirt before your loved one, and I drifted off to sleep with this thought on my mind.

When I awoke, I realized I must've been having really filthy dreams, because I'd shifted so much in my seat that my dress had inched its way up my thighs. My naked pussy was exposed to a passenger opposite me, who was clearly stroking his cock beneath his newspaper. Seeing that I was making no effort to cover myself up, he let his paper slide away, revealing a monster hard-on.

I remained still. He looked me in the face and began to wank his cock brazenly. I watched his foreskin slip over his helmet and back again, transfixed by his steady motions as my pussy became wetter and wetter. I let my legs fall apart slightly, giving him a glimpse of my sticky pink slit. My fellow-passenger's breath caught in his throat and he hunched over slightly, wanking his cock at full pace so it made a steady schlap-schlap sound as he manipulated his sticky flesh in his hand.

By the look of lustful desperation on this guy's face, I'd say he hadn't gotten any in months. I pulled my lips open with two fingers so he could see the pink pearl of my clitoris and the creamy swirl of my hole. This

into position and sunk down onto the shaft until only my balls were outside her gooey hole. She began to rock back and forth on my lap, causing my dick to slip and slide inside her.

Over her shoulder I could see two sluts on the TV getting bum-fucked on all fours and reached for the crack of Barbara's arse, pressing a finger inbetween her buttocks and resting the tip against the puckered entrance to her rear. "Oh, you want to screw my backdoor, you dirty fucker!" She moaned and lifted herself off my lap and knelt on the bed, burying her face in the pillow. I climbed behind her and scooped a handful of love juice from her sticky slit, spreading it along her bum crack and working it into her tight hole until she was good and ready for my meat.

I gripped her fleshy hips and eased my knob into her crack, pushing harder as the bulbous tip began to push its way through the entrance. Barbara yelped as the purple head entered her, then began to moan as I pushed the whole length inside.

I humped her in the arse in time with the guys on the television while she fingered her dripping pussy. As she came for the second time, her bum muscles contracted around my cock and I could hold back no longer, emptying my balls deep inside her tunnel, just as the guys on screen sprayed their cum all over their partner's arses. Barbara wiped us both clean with her towel and I hurriedly did up my trousers as I knew the boss on reception would be going nuts. Barbara called him and made my excuses for me – top girl. I never saw Barbara again but that's certainly

...he fell against me sharply, his cock ploughing my asshole in one fell swoop."

desperate asshole was making me fucking hot. I grabbed his wrist sharply and told him to follow me to the toilet.

There wasn't much room in the little cubicle, so I got him to sit on the toilet seat while I stuck my arse in his face. He rimmed my hole fervently, still beating that precious tool of his in one hand till I told him to quit it and stuff his fingers up my cunt already.

I wasn't ready for three gnarled fingers up my pussy, the force and surprise of his advance sending me shooting forward so I banged my head on the toilet door. With my face pushed up against the graffiti, and my weight supported on my forearms, the fucker rammed his hand inside me. I could feel the spiky bits of skin and uneven dirty nails inside me and it just made me all the hornier as I was shunted back and forth against the door in front of me.

Soon I felt a stiff prick pressing against my buttocks. Fingers were dragged out of my pussy and lifted to my nose for me to smell before swiping them up and down my buttock, followed shortly by a helmet.

Jamming two fingers inside my pussy once more, a fat cock pressed briefly against my asshole before the fucker fell forwards, the swaying of the train adding to his momentum so he fell against me sharply, his cock ploughing my asshole in one fell swoop. I wanted to scream, I didn't know if I could take it – then the fingers in my pussy started gently churning, sliding around in my sticky goo as the cock in my rear started to piston in and out of me.

As much as the cock was sharp and pressing in my behind, so were the fingers in my cunt soft and yielding, pressing against the length inside me through my thin membranes, then stroking the nodules of my G-spot.

I felt hairy balls pressing against my cheeks as we were jerked forward again and I was pressed up against the door, dribbling out of the corner of my mouth as my fucker started to curse under his breath.

"Dirty fucking cunt. Want it harder, don't

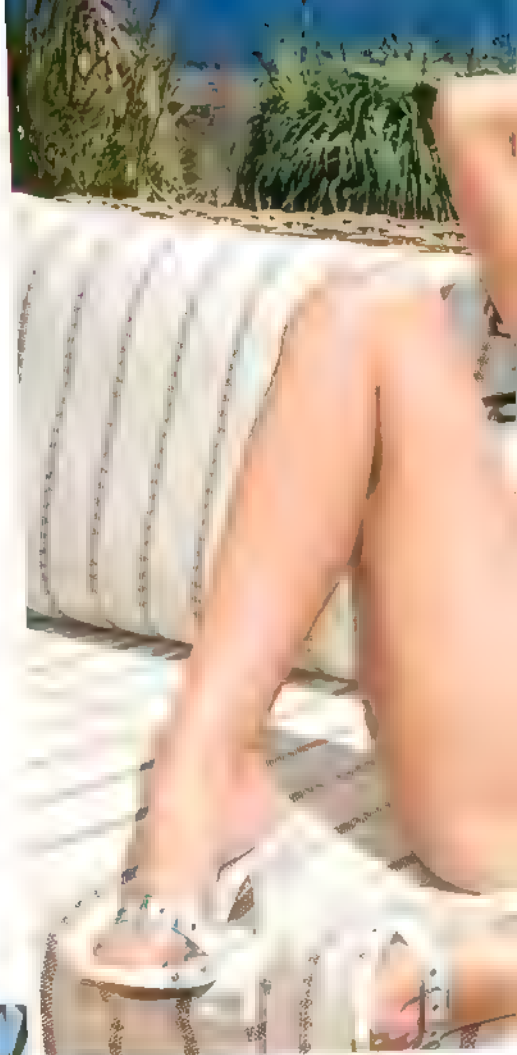

you? Filthy fucking tease," over and over, spitting the words out as he jabbed his cock into my pulsing asshole. My ass was burning as my pussy melted around his fingers, and I clawed at the formica door, my neck jarring as I was thrown against it but I didn't care.

"Filthy cunt, you like that, don't you? Fucking whore," my fucker wheezed as he rammed into me harder and harder, his free hand grabbing the back of my neck and pushing my face into the door as he grunted and strained, leaning down to spit his obscenities into my ear as he unleashed a torrent of cum inside my ass, his crotch grinding into me as he bent over and whispered: "Bet you like cum in your asshole, don't you, bitch?" and the fingers slid out from my pussy.

With my cunt still blindly jerking, I opened the door, pushed him out and sat down again. Smearing my fingers with the spunk from my buttock, I massaged my clit until my own orgasm overtook me in a blinding flash.

Not exactly a charming encounter – but a whole shitload of fun.

Janine, Derby.

FOTOS NICOLAS SAGE

FRAN 

Fran's been enjoying a relaxing lounge in the garden, sunning herself to a soft tan. We caught up with the young lady who was more than a little revealing about her sunning techniques.

"I love lying out in the sun totally naked, it's completely liberating, but sadly I don't get to do it enough as the neighbours can be quite nosey."

On hearing this we started to wonder if the house next door was for sale. ♣

Absence makes the heart grow fonder!

the gentlemen in question cashed their pay cheques every month, literally laughing all the way to the bank we imagine. Both have now returned to work and will face disciplinary charges.

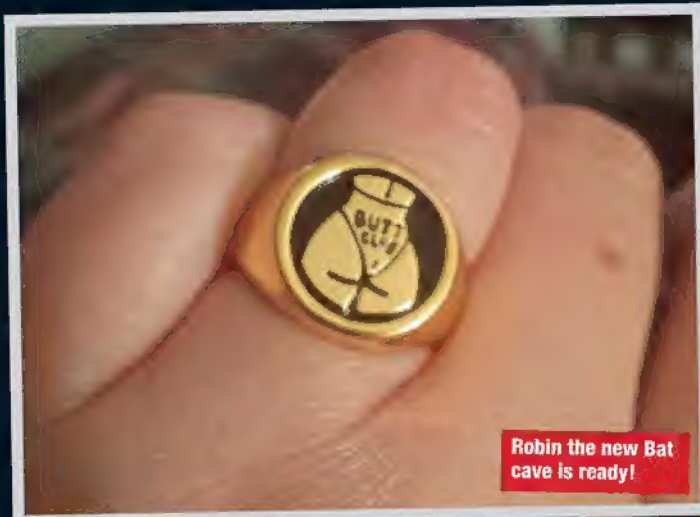

The Spanish have always been a relaxed bunch in all areas of life, so clocking off work early or pulling a sickie doesn't usually raise an eyebrow, but skipping work for 15 years is a whole other ball game. An investigation revealed that two local government employees, a gardener and a driver never showed up for work, and according to a statement made by the pair this could date back 15 years. Both of

Sausage Scanner

We've all wondered how much we're really worth, but I'm not sure if popping your penis through a supermarket checkout is going to provide the answer. Christian Fisher was apprehended and charged with indecent exposure and assault after a report confirmed that a security guard had attended a distressed female employee overseeing the self-scan at The Quilty Foods Centre. Where the security guard found, Mr Fisher's penis flopped out on the scanner. The accused laughed and made no attempt to put his manhood away to the horror of the female employee. Fisher then left the supermarket but returned a few hours later and became embroiled in a physical confrontation with staff. He was picked up by the police later on and charged.

Hatton Bottom

Robin the new Bat cave is ready!

Getting to the bottom of a jewellery theft, left one thief with a bum deal! A 24-year-old suspected jewel thief from Konya, Turkey, was picked up for questioning after officers noticed the fellow was walking oddly. The suspect was taken to the local hospital and X-rayed, which revealed a stolen stash of jewels the police had been looking for. There were several objects deposited in the suspects rear end that a hospital technician retrieved, including gold rings, earrings and a necklaces. But in a bizarre twist of fate the stolen jewellery was identified as belonging to the hospital technician's family. The objects were handed over to the authorities; we hope after a good scrub, and the suspect was arrested.
